RESULTS**

November 2004

Task 1. Planning & Coordination of the Annual CHP Roadmap Workshop (cont.)

Looking ahead to 2005...

- Survey results from Austin tell us:
 - Information presented is informative but sometimes duplicative
 - We have probably “outgrown” the existing format (Roadmapping exercise) for this fall meeting
 - We need to focus more on lessons learned and best practices in CHP and less on barriers (“been there, done that”)

Task 1. Planning & Coordination of the Annual CHP Roadmap Workshop (cont.)

Looking ahead to 2005...

- In 2005, we need to build on regional CHP efforts that are enhancing national efforts
- Presentations need to be more interactive, and less static
- We need to think more globally about CHP opportunities – growing the US market overseas
- Topics to be covered should include:
 - Natural gas pricing and volatility and its impact on CHP sales
 - Opportunity fuels and their impact on CHP
 - Electric providers and CHP - Opportunity, threat, or both

Task 2. Coordination of Education and Outreach Activities for Stakeholder Groups

- CHP Team Meetings

- May 20, 2004
- July 15, 2004
- October 21, 2004
- December 9, 2004
- February 9, 2005

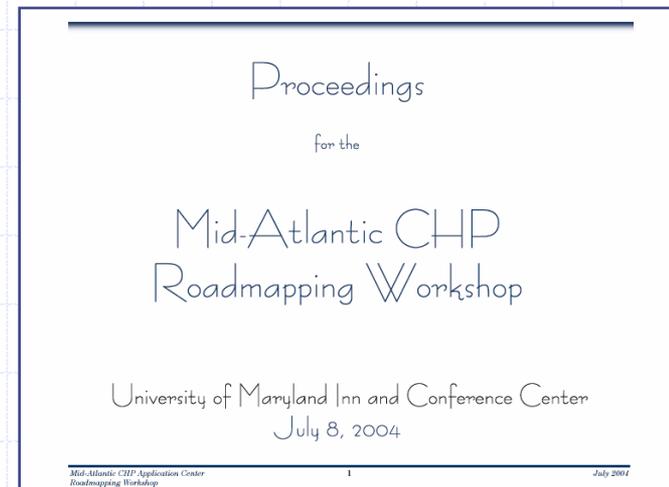

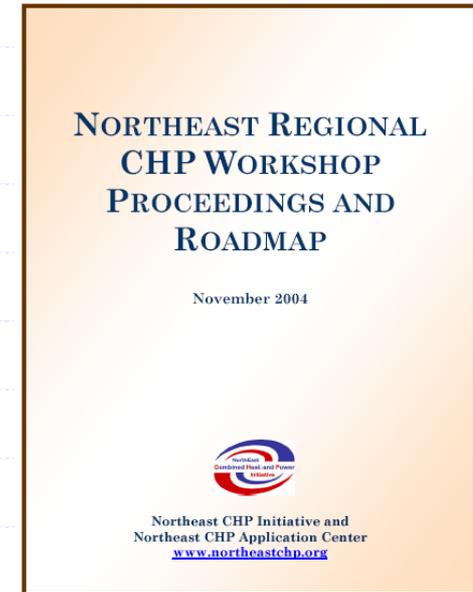

- DG/CHP Calendar of Events on DOE website, linked from other sites
- Web-enabled text for CHP and USCHPA websites (Presentations, CHP Action Agenda, Roadmap Results, etc.)

Task 2. Coordination of Education and Outreach Activities for Stakeholder Groups (cont.)

Questions?

- What will we do next year? Is this over? Have we done all we need to do?
