FEMP'S LEGISLATIVE DATABASE: *Status of Appropriations Bills*

INTRODUCTION

This database will be updated at the end of each month and placed on the FEMP Home Page under **News and Events**. Appropriation bill summaries are organized according to legislative jurisdiction. The categories include:

- Agriculture
- Commerce
- Defense
- Energy and Water Development
- Interior
- Labor/ Health and Human Services
- Military Construction
- Transportation
- Treasury
- Veterans Affairs/Housing and Urban Development

For each bill, the following information is provided:

- Bill Number
- Key Provisions of Interest to FEMP
- Status of Bill

Each month, look for the designation - **(UPDATED INFORMATION)** next to the categories listed above. This notation indicates those categories that include:

- Updated Status of Existing Legislation

Also refer to current or past issues of the **FEMP Monthly Update** and **INSIGHTS: 107th Congress** for information on Congressional hearings and legislation as well as new Administration initiatives. The **FEMP Monthly Update** is published at the end of each month; **INSIGHTS** is published the first three weeks of the month while Congress is in session. The two newsletters and the **FEMP APPROPRIATIONS DATABASE** can be accessed through the FEMP Home Page.
