FOR

TASK ORDER 005 – Office of Laboratory Operations

The purpose of this task order is to provide the level of effort for support services to the Golden Field Offices' Office of Laboratory Operations.

Scope of Services:

The Contractor shall provide the support services detailed in the Statement of Work, Section III, Paragraph E for the base period of performance from Oct. 1, 2005 through Sep. 30, 2006. The support provided shall comply with all terms and conditions of the contract. Specifically, the Contractor shall provide safety and health support for the construction activities at NREL, in particular the Science and Technology Facility project. The services include inspect/walk the construction sight on a regular basis and provide written assessment of construction activities to the Federal Project Director.

Other small construction projects may require safety and health support periodically. The Assistant Manager for Laboratory Operations will identify these projects and request support as the need occurs.

Level of Effort:

The estimated level of effort required to perform the scope of work specified above is as follows:
