The Town of Hempstead is proposing to use American Reinvestment and Recovery Act funds from DOE for the purchase and installation of a single 100 kW wind turbine. DOE's Golden Field Office has determined that providing funding to the Town of Hempstead for the proposed project would not constitute a major Federal action significantly affecting the quality of the human environment within the meaning of the *National Environmental Policy Act*. The FONSI and EA are available for review on the DOE Golden Field Office website:
