U.S. DEPARTMENT OF ENERGY
EERE PROJECT MANAGEMENT CENTER
NEPA DETERMINATION

RECIPIENT: International City/County Management Association

STATE: DC

PROJECT TITLE : Solar America Cities - Technical Outreach

Funding Opportunity Announcement Number	Procurement Instrument Number	NEPA Control Number	CID Number
DE-FOA-0000086	DE-EE0003526	GFO-10-428	EE3526

Based on my review of the information concerning the proposed action, as NEPA Compliance Officer (authorized under DOE Order 451.1A), I have made the following determination:

CX, EA, EIS APPENDIX AND NUMBER:

Description:

- A11 Technical advice and planning assistance to international, national, state, and local organizations.
- A9 Information gathering (including, but not limited to, literature surveys, inventories, audits), data analysis (including computer modeling), document preparation (such as conceptual design or feasibility studies, analytical energy supply and demand studies), and dissemination (including, but not limited to, document mailings, publication, and distribution; and classroom training and informational programs), but not including site characterization or environmental monitoring.

Rational for determination:

The International City/County Management Association proposes to use federal funds to provide outreach and education to state and local governments in the field of solar energy.

This project will include project startup, overall project management, needs assessment and background research, create learning communities and information dissemination approaches for local government and other stakeholders on solar energy, design, develop and implement training, outreach, and networking sessions and workshops, digital and e-learning strategies, targeted technical assistance for local governments, and Solar America designation process. Phase 2 will consist of revising and continue to create learning communities and information dissemination approaches for local government and other stakeholders on solar energy, continue to implement training, outreach, and networking sessions and workshops, digital and e-learning strategies, targeted technical assistance for local governments, and project management and reporting.

This project involves information dissemination, outreach, and technical assistance; therefore CX A9 & A11 apply.

NEPA PROVISION

DOE has made a final NEPA determination for this award

Insert the following language in the award:

Note to Specialist :

eugene brown 6/8/2010

SIGNATURE OF THIS MEMORANDUM CONSTITUTES A RECORD OF THIS DECISION.
