EERE PROJECT MANAGEMENT CENTER
NEPA DETERMINATION

RECIPIENT: DOE Crosscutting FOA Team

STATE: DC

PROJECT TITLE : Administration of a National Clean Energy Business Creation Competition for University Students

Funding Opportunity Announcement Number	Procurement Instrument Number	NEPA Control Number	CID Number
DE-FOA-0000570		GFO-0000570-001	0

Based on my review of the information concerning the proposed action, as NEPA Compliance Officer (authorized under DOE Order 451.1A), I have made the following determination:

CX, EA, EIS APPENDIX AND NUMBER:

Description:

A9 Information gathering (including, but not limited to, literature surveys, inventories, audits), data analysis (including computer modeling), document preparation (such as conceptual design or feasibility studies, analytical energy supply and demand studies), and dissemination (including, but not limited to, document mailings, publication, and distribution; and classroom training and informational programs), but not including site characterization or environmental monitoring.

Rational for determination:

This NEPA determination applies to the Administration of a National Clean Energy Business Creation Competition for University Students funding opportunity announcement (FOA) (DE-FOA-0000570).

The purpose of this FOA is to seek applications to administer annual clean energy business creation competitions. DOE funds would be awarded to selected applicants who would use the funds in part to administer the competition and in part as prize money for the competition. The annual clean energy business creation competitions will seek university-based student business plans, ideas, and models that align with DOE's mission and technology portfolio.

The activities that will be completed under this FOA are all administrative in nature. CX A9 applies to the selection and award of DOE funds to entities that will administer the clean energy business creation competitions.
