PROJECT TITLE : Industrial Assessment Centers

Funding Opportunity Announcement Number	Procurement Instrument Number	NEPA Control Number	CID Number
DE-FOA-0000490	Multiple (see EF1 for complete list)		0

Based on my review of the information concerning the proposed action, as NEPA Compliance Officer (authorized under DOE Order 451.1A), I have made the following determination:

CX, EA, EIS APPENDIX AND NUMBER:

Description:

- A9** Information gathering (including, but not limited to, literature surveys, inventories, audits), data analysis (including computer modeling), document preparation (such as conceptual design or feasibility studies, analytical energy supply and demand studies), and dissemination (including, but not limited to, document mailings, publication, and distribution; and classroom training and informational programs), but not including site characterization or environmental monitoring.
- A11** Technical advice and planning assistance to international, national, state, and local organizations.

Rational for determination:

DOE funding would be used for industrial assessments of small to medium sized manufacturers to improve efficiency, reduce waste and increase productivity; training university students on energy efficiency and improving industrial processes. This would also include outreach activities, such as energy efficiency workshops and trainings, and presentations/participation in related meetings and conferences.

This project comprises information gathering, technical advice, and planning assistance in developing Industrial Technologies; therefore this project is categorized as CX A9 and A11.

NEPA PROVISION

DOE has made a final NEPA determination for this award

Insert the following language in the award:

If you intend to make changes to the scope or objective of your project you are required to contact the Project Officer identified in Block 11 of the Notice of Financial Assistance Award before proceeding. You must receive notification of approval from the DOE Contracting Officer prior to commencing with work beyond that currently approved.
