

Columbus Technologies and Services, Inc. is a 8(a) SBA certified Small Disadvantaged Business, providing human and technical resources and solutions to help solve our client's most pressing technical, strategic and operational challenges. Columbus works extensively with a diverse group of clients in the Federal and aerospace sectors, providing expertise in major IT, Professional, and Scientific areas.

Columbus holds a DoD Top Secret facility clearance and is headquartered in Pasadena, CA with offices in Sunnyvale, CA; San Diego, CA; Denver, CO; and Arlington and Norfolk, VA. Columbus is D&B rated with projected 2007 revenues of \$25M with outstanding financial strength.

We employ over 250 employees with a small indirect staff, indicating low overhead allocations. Our primary customers are NASA, JPL, HHS, and Army National Guard.
