

Mr. Steve Scott Contracting Officer
NATIONAL RENEWABLE ENERGY LABORATORY
1617 Cole Boulevard Golden, CO

Subject: Expression of interest, RFP DERP3607GO97036

Mr. Scott;

Systems Plus, a small business, is interested in receiving a copy of subject solicitation. Please provide information directly to me, Wayne Cutrell, Director of Contracting, wayne.cutrell@sysplus.com, 301-948-4232. We are interested in becoming a subcontractor. We agree to have our expression of interest information published on the Source Evaluation Board's solicitation website.

Systems Plus's web page is <http://www.sysplus.com/>. We are a CMMI level 2 certified company and have a top-secret facility clearance. Our principle expertise is in the following areas:

- ▲ Enterprise Infrastructure Support
- ▲ Information Assurance and Security
- ▲ Application Development and Integration
- ▲ Program Management and Consulting
- ▲ Enterprise Architecture and Governance

Our Core Competencies are not fixed and codified, but flexible and evolving over time. • Our project management methodology is based on the SEI Capability Maturity Model® Integration (CMMI) and PMI PMBoK "best practices". • Because we believe that the quality of a project deliverable is highly influenced by the quality of the processes used to define, develop, and maintain it, we implemented an integrated CMMI continuous process improvement approach for all of our project management activities. We focus on delivering results for our customers, being accountable, accessible, and responsive. In summary, our approach to our business, contracts/ projects/task orders, and customers is customer-focused and easy to understand – **WE PLAN, DO, CHECK, and ACT!**
